*To our Friends and Patrons:*

In this line of seeds we are importers of those varieties whose seeds are not successfully matured in this country, and of those that can be perfectly matured here we have obtained the best. We are in a position to supply your wants with anything in the Flower Seed line that you may desire. Our Flower Seeds are not cheap, either in the sense of quality or in price. We have obtained the best and have necessarily had to pay a liberal price for them. In Sweet Peas we have many distinct colors and varieties. Price of these per oz, 10c; for  $\frac{1}{4}$  lb, 20c; for  $\frac{1}{2}$  lb, 35c; for 1 lb, 60c.
